

THE HELTONS

Missionaries to Spain

September - October 2021

Dear Friends,

September and October have been very exciting here in Jaén. We have had a faithful group attending regularly. They have been responsive to the Word and even participated in outreach efforts. One effort was a meal at the church building. We encouraged everyone to bring a dish, and it turned out great!

We also started a midweek Bible Study and time of prayer. Several people have attended faithfully. We are very excited to see them participating and asking questions as we study through the Bible. Several weeks ago we had a group of young people come up from Sevilla and help with our service. They assisted in the music and we had the chance to see the leaves changing in the national park in our province.

At the beginning of October, Jen and I had the opportunity to vis-

it the region of Asturias in northern Spain. This region is known for its breathtaking mountains and coastal cities. The town we visited had a total of 39 people! We enjoyed the trip and were impressed with the scenery, and recognized the need for churches in this difficult region. However, we were also very happy to return home!

Isaiah and Abbey are well into their fall semester at college, and we look forward to their return this Christmas. With the constantly changing travel restrictions, we are praying they can come home for Christmas without any complications!

As we transition into the holiday season, we are excited to see how God is growing His church in Jaén. We are excited about another meal at the church. This time, we will use the meal as an outreach for the community, and as such we are inviting friends and family to try American Thanksgiving deserts and even a turkey later

in November. We hope this will help our neighbors and the many contacts see that they are welcome!

Thank you for all your prayers and support! We are so grateful to partner with each of you for the Gospel. We pray that God works in your town just as He does in ours!

In Christ,

Michael and Jen Helton
